

Curious Arithmetical Results.

The following interesting table recently appeared in "Success":

123456789 times 9 plus 10 equals	111111111
123456789 times 18 plus 20 equals	222222222
123456789 times 27 plus 30 equals	333333333
123456789 times 36 plus 40 equals	444444444
123456789 times 45 plus 50 equals	555555555
123456789 times 54 plus 60 equals	666666666
123456789 times 63 plus 70 equals	777777777
123456789 times 72 plus 80 equals	888888888
123456789 times 81 plus 90 equals	999999999

This table is still more interesting when it is noticed that each multiplier is divisible by 9, and that, when the figures of each answer are added together and the added number is subtracted, the answer is 0. For example, the sum 1,111,111,111 is 10; 10 minus 10 is 0.

Fully as curious results will be found in other combinations of figures, for instance:

20 GALS. OF SHERWIN-WILLIAMS MIXED PAINT AT \$2 EQUALS \$40.

Subtract from this the figure 40 and you will arrive at the exact number of "troubles" you will have as a result of using the best mixed paint made.

Senate Bill 4, the unpaid bills appro-
priation bill, was referred to the Print-
ing Committee.

The Chair announced that the Treas-
urer had informed him of the presence
in the city of tax assessors from the
various islands. It would be well for
the Finance Committee to make ar-
rangements to meet these men in order
to be prepared on the matter of appor-
tional.

Committee of the Whole.

The House next went into a commit-
tee of the whole for the consideration
of the current expense bill of the
House, taking up the item of \$10,000 for
new Gamewell police call boxes de-
ferred from yesterday.

After a short discussion the Gamewell
call box item passed at \$10,000.

Carter Asks for Reduction.

Mr. Harris stated that Secretary Car-
ter had asked to have the item of "Ex-
pense of election" under his depart-
ment, cut from \$15,000 to \$12,000. He
would move that the item be changed
to that amount and that after the
words "Expense of election," be added
the words "including transportation be-
tween the islands, for Maui and
Kauai Registration Board."

The amendment carried and the item
went through as amended.

Expense Department Stables.

"Expenses department stables,"
under the Department of Public Works,
which was deferred from yesterday,
was taken up. Mr. Harris stated that
he had found the stables in question to
be those at the corner of Miller and
Hotel streets. It was there that the
Superintendent of Water Works, the
Assistant Superintendent of Public
Works and others kept the carriages
with which they went around to var-
ious places to look after the work in
their charge. Formerly, the money
came out of incidental expenses but
the Superintendent of Public Works
had requested that a special item be in-
serted in the bill.

Mr. Beckley wanted to know of the
Public Expenditures Committee if the
officers named by Mr. Harris were not
getting large enough salaries to per-
mit of their paying for the stabling of
their horses and the care of their car-
riages. Mr. Vida answered that not
only was this a fact but there were
some officers who were getting extra
pay for the keeping of their horses.

Mr. Kumale and Gandall also spoke
against the maintenance of the stables
in question and the item of \$450 was
stricken out of the bill.

St. Louis Appropriation.
"Expenses of Territorial building and
exhibit at the St. Louis Exposition,
\$30,000," passed without objection.

Landings and Buoy.
The item of \$750 for landings and
buoys, South Hilo, which was declared
lost yesterday, was reconsidered on
motion of Mr. Aylett, and passed as in
the bill.

"Landings and buoys, Kauai, \$500,"
passed as in the bill.

A New Item.
The following new item, presented
by Mr. Hala, was inserted in the bill:
"Landings and repairs to wharf, Hana,
Maui, \$500."

At 12 noon, the Committee of the
Whole arose, reported progress and
asked leave to sit again. Report adopted.

Park Visit on Friday.
Speaker Beckley announced that he
had just received word from Mr. Thurston
with reference to the trip of the
House of Representatives to Kapiolani
park. It would be impossible to make
arrangements for the visit to take place
this afternoon. The Senate had chosen
Friday afternoon and if the House de-
cided upon the same time, he would have
accommodations for the members.

On motion of Mr. Kumale, the vote
on the motion to proceed to the park
this afternoon was reconsidered and
the time was set for Friday afternoon
so that both houses will be at the park
at the same time.

The House then took a recess until
2 o'clock this afternoon.

Permanent notices are to be attached
to the lamp posts in the main streets
of Dundee, Scotland, forbidding spit-
ting on the footways.
